Subject:- Rajya Sabha USQ No.524 to be answered on 17.09.2020 -reg.

Dear Sir/Madam,

Please refer to your e-mail dated 14.09.2020 on the above mentioned subject. In this connection, the requisite information regarding the Institute is given below:

Sl.No	Particular	Reply
a)	whether it is a fact that the machinery used in the advanced technical institutes of the country for the training of the students is highly outdated which is affecting the quality of training and the placement of passed out students;	MNNIT Allahabad is an Institute with total commitment to quality and excellence in academic pursuits. The Institute is well known for its Labs and technical education and with the emergence of new technologies many new labs in the Institute has been setup. All the labs in different departments are regularly upgraded in terms of new equipments (Hardware and Software).
b)	if so, whether Government would like to lay down standards for the quality of required training infrastructure and machinery as recognition criteria for the technical institutes, if so, by when and if not, the reasons thereof: and	Not related to the Institute
c)	steps Government would like to take for improvement in the quality of training machinery for the public technical institutes?	The Institute is in process of establishing new multidisciplinary labs and modernization of some of the existing labs through funds/grants from Ministry of Education.

This is for your kind information please.

Thanking you.

Yours truly,
