**Item No. 33.03 : To consider the Revised Budget Estimates for the year 2014-15 and the Budget Estimates for the year 2015-16.**

**Resolution :** The Finance Committee considered the Revised Budget Estimates [RE] for the financial year 2014-2015 and the Budget Estimates [BE] for the financial year 2015-2016, and approved the provision of ₹ 80.58 Crores in the Revised Budget Estimates for the year 2014-15 and ₹ 110.73 Crores in the Budget Estimates for the financial year 2015-16 under the Non-Plan Head.

The Finance Committee also approved the provision of ₹ 92.13 Crores in the Revised Budget Estimates for the year 2014-15 and ₹ 192.03 Crores in the Budget Estimates for the financial year 2015-16 under the Plan Head.

**Item No. 33.04 : To consider the report of the External Expert in the matter of construction work of extension of Boys' Hostel.**

**Resolution :** The Finance Committee considered the report of the External Expert in the matter of construction works of extension of Boys' Hostel and noted the following recommendations of the External Expert.

- "1. *Considering increase in intake capacity of students by the implementation of the Central Education Institution Act, 2006 and urgent need of Hostels for accommodating more students, Director of the institute had given in-principle approvals from time to time in the interest of work and for expediting the ongoing site works. It was, however the responsibility of the engineering and construction unit/wing, getting the work executed at site to obtain formal approval from B&WC to regularize the additional expenditure so incurred.*
2. *As per the records available, none of the Committees has ever pointed out the infructuous expenditure in respect of additional items of work got executed at site. It therefore implies that all these works were actually needed for commissioning of services in the hostels.*
3. *It is a matter of procedural lapse on the part of site team for not pressing for B&W Committee's approval during execution stage of work. Necessary action in such cases, as per rule of the Institute, may be taken in this regards."*

The Finance Committee accepted the recommendations given by the External Expert and took a serious note on the procedural lapses in the matter.

The Committee further resolved that the Director shall take appropriate action as per rules against the person(s) responsible for the above procedural lapses.

**Item No. 33.05** : To consider the request made of M/s Industrial Security Services, Allahabad, the previous security service provider of the Institute for reimbursement of Service Tax for the period 2003-04.

**Resolution** : The Finance Committee accepted the report of the Committee constituted to resolve the reimbursement of Service Tax for the period 2003-04 to M/s Industrial Security Services, Allahabad, the previous security service provider of the Institute and resolved that the claim for Rs. 2,19,710 /- on the account of reimbursement of Service-Tax for the period from August, 2003 to July, 2004 should not be entertained.

**Item No. 33.06** : To consider the proposal received from the Department of Applied Mechanics for writing off the unserviceable items of stock and loss of stock

**Resolution** : The Finance Committee accepted the proposal of the Write-off Committee of the Department of Applied Mechanics for the disposal of items as per ANNEXURE-I and opined that such Committees for disposing off the unserviceable/obsolete items, in future, must consist of an external member from any other department, a member from the Accounts section and a member from Store & Purchase section in addition to members from the parent Department/Section.

**Item No. 33.07** : To consider the recommendations of the Building and Works Committee for engaging M/s ITI Limited as e-procurement service provider.

**Resolution** : The Finance Committee accepted the recommendations of the Building and Works Committee for engaging M/s ITI Limited as the e-procurement service provider for the Institute, in view of the justification of the Building and Works Committee.

It was also resolved that the engagement shall be initially for two years and the performance of the service provider shall be reviewed after completion of one year of service. It was resolved that a Committee be constituted with faculty members from the Department of Computer Science & Engineering to frame various performance parameters for evaluation purpose.

**Item No. 33.08** : To consider the charges for legal opinion submitted by the legal expert engaged in the matter of promotion of Dr. Vijaya Bhaduria as per the decision of the Board of Governors.

**Resolution** : The Finance Committee examined the detailed bill submitted by the legal expert and felt that the fees charged by Shri K.C. Kaushik, Former Additional Solicitor General of India, is quite high. The Committee therefore resolved that the Registrar should request Mr. Kaushik to review the fee in view of the fact that the matter was related to a public educational institute.

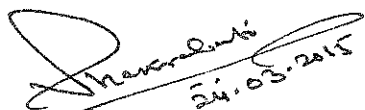

**Item No. 33.09** : To consider the proposal for ongoing U.P. Purva Sainik Kalyan Nigam [UPPKN], Subedarganj, Allahabad for providing security services to the Institute.

**Resolution** : The Finance Committee considered the proposal and observed that single source hiring should be avoided as far as possible. The Finance Committee resolved to consider the matter in the next meeting subject to providing full justification for the same by the Registrar duly concurred by the Director.

**Item No. 33.10** : To consider the proposal for adoption of Ministry of HRD letter F.
